

Supportive Housing Communities Update June 2020

Volunteering at Supportive Housing Communities is still on hold until July 1, 2020 and maybe beyond depending on COVID-19 impact on our community. WE MISS OUR VOLUNTEERS! We cannot wait to get you involved again at SHC! We will make an announcement when we are open again for volunteers!

Bagged Lunches are still being accepted in support of meals for our residents. You can make 90-200 bagged lunches. 90 will feed McCreesh Place residents. Extra bags will feed St. Johns Place, scattered sites and support our PATH Team on the street feeding people experiencing homelessness.

DONATE FOOD HERE

Donation Drives are still needed! Consider a non-perishable food drive, paper products drive, toiletry drive or a donation drive for the PATH Street Outreach Team to distribute to individuals experiencing homelessness on the street. We offer a care package to build relationship. Each care package needs to contain: Small bottles of water, juice, peanut butter crackers, canned Vienna sausage, tuna pack with crackers, beef jerky, hard candy, fruit roll ups, cheese crackers and packaged cookies. We need small tents, sleeping bags and ground tarps. **Visit Amazon Wish List:** https://www.amazon.com/gp/registry/wishlist/ref=cm_gift_wl_ad

Contact Linda Miller at linda@aplacetoliveagain.org or 704-651-3549 to coordinate your donation. OR You can make a donation here: <https://www.betterunite.com/supportivehousingcommunities-alwayson>
