

READING PLAN

for adults

Understanding the reading plan

STRUCTURE

The following plan will take you through the entire Bible in one year. The Scriptures are divided into sixteen “parts” and organized in semi-chronological order. You’ll read two or three chapters a day, and sometimes skim through larger portions that contain genealogies, census information, etc.

PSALMS OF PRAYER

One Psalm is listed each day for you to slowly pray through. By the end you’ll have prayed through the book of Psalms 2.5 times.

VIDEOS

Each time you come to a new biblical book there will be a short animated video about the book’s design, message, and what to look for as you read, as well as theme videos relating to reoccurring topics. These videos can be found at bibleproject.com, or you can sign up to have them emailed to your inbox.
