

Guidelines for MPPC Nursery and Childcare

- Masks for 3-4 year olds (at all times)
- No masks for 2 year olds
- All children will be screened on their way in.
- Staff are vaccinated or tested AND screened.
- Agreement to self-report any symptoms/positive COVID diagnosis in child's household (this includes babysitters/nannies) in the 48 hours before childcare AND 48 hours past attendance. An open Nursery depends on cooperation and communication.

The presence of any of these symptoms suggests the person may need to be tested for COVID-19:

- Fever (temperature 100.4 °F or higher) or chills
- New cough
- Shortness of breath or difficulty breathing
- Fatigue
- Muscle or body aches
- Headache
- New loss of taste of smell
- Sore throat
- Congestion or runny nose
- Nausea or vomiting
- Diarrhea

Individuals with the virus that causes COVID-19 may experience any, all, or none of these symptoms

One family member may accompany his/her own child(ren) to and from the classroom at drop-off and at pickup. The family member must:

- *Consistently wear a mask.*
- *Maintain a physical distance of six (6) feet from others at all times*
