

INCLEMENT WEATHER POLICY

We will make every effort to remain open, but the safety of our families and staff is always our top priority. In the event of inclement weather or emergency:

- The WDS Directors will evaluate each situation and make the decision whether to close or alter the normal operating hours.
- We will consider what our neighboring schools are doing and if our staff can safely get to and from work.
- If the MPPC Executive Director closes the church campus for the day, the school will be closed.
- If the decision is made to close the school, we will notify families by email, and teachers will contact families through our communication apps.
 - It is the parents' responsibility to ensure that their correct email addresses and phone numbers are on file.
- Carpool may not be available in certain circumstances if the safety of the students and/or staff is at risk.
- In the event of an early closing, parents are expected to make arrangements to pick up their child promptly when contacted by the school.
- There will not be a reduction or refund of tuition for any such early or full day closings.
