MINISTRIES

Myers Park
PRESBYTERIAN
CHURCH

Dear Children and Families of Myers Park Presbyterian Church,

We are celebrating 100 years of worship and fellowship together as a community of faith. This fall we will open a time capsule, celebrate in worship, learn more about our history, and pray about our future!

As we look toward the Centennial, we will consider together what it means to be a church. We all learned as children, “Here’s the church, here’s the steeple...” and we can do the motions and say the words by heart. But the church is so much more than a building, or a steeple — the church is a joyous and complex community of people.

This year in Children and Family Ministries (CFM), we will gather around the phrase “Here’s the Church...!” That phrase will prompt us to consider the great stories of scripture, the stories of church members, the stories of our mission partners, and the stories of our children have to share.

We hope this booklet will orient you to all the things CFM offers. You can meet our team members, learn about the ministries that are under the scope of CFM, and take a peek at our calendar filled with many opportunities (and, more to come!) for fun and formation this year.

“Here’s the church!” we will say together with joy and anticipation of what God will be about in and through us as we celebrate 100 years of life together here at Myers Park Presbyterian Church.

In Christ,

Lisa Hickman and the Children and Family Ministry Team

NURSERY MINISTRY

Sundays | 8:45-11:15 a.m. | 0-4 Years

Each Sunday, our dedicated team awaits to provide an environment tailored specifically for your little ones. As you step into the B Hallway, you'll discover a place where every child is cherished and celebrated.

A typical morning in the nursery includes free play, snacks, music, crafts, and playground time. From interactive play to engaging activities, we strive to create a space where children can learn, grow, and forge meaningful connections with both their peers and caring adults.

Our program is comprised of four classrooms:

- Infants (for children who aren't yet walking well)
- Toddlers (for children who are walking confidently)
- 2s
- 3s and 4s – Faith Formation at 9 a.m., Nursery at 10 a.m.

Our classrooms are fully equipped with age-appropriate resources, so we only ask that you bring a small diaper bag or book bag with your child's essentials.

Whether it'll be your first time joining us or you're returning to deepen your connection, we are excited to build lasting relationships and foster a sense of belonging within our church family. Join us this Sunday and experience the warmth and hospitality that defines our nursery program—a place where every child is welcomed, valued, and loved.

CHILDREN IN WORSHIP

Children are an important part of our worshipping community at MPPC, where we value one another's perspectives and learn from each other's wisdom, including children!

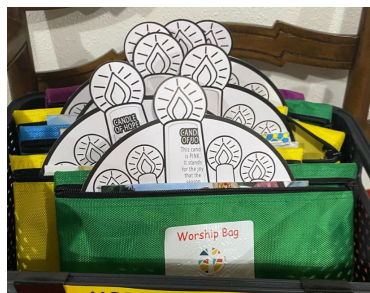

There are several opportunities for children to be a part of worship leadership:

- **1st Graders** can serve as communion bread carries on the first Sunday of each month when we celebrate communion in the Sanctuary and Oxford Hall.
- **2nd Graders** are invited to sign up as greeters.
- **3rd Graders** are invited to sign up to be a Bible carrier in the Sanctuary processional.
- **4th Graders** are invited to serve alongside our usher teams in the Sanctuary and Oxford Hall.
- **5th Graders** can be acolytes in the Sanctuary, leading the processional behind the cross, and bringing in the light of Christ to worship.

For more information, contact Mark Kemp at mkemp@myersparkpres.org.

Worship Bags

Worship Bags are intended to keep children engaged during worship. These bags are filled with a children's bulletin, a Bible story book, blank paper and crayons for art, a sensory toy, and a fine motor activity. You can find these bags in the Narthex and just inside the doors to Oxford Hall.

FAITH FORMATION

At Church

Sundays | 9-9:45 a.m. | 3 Years - 5th Grade

We are grateful to an amazing team of volunteers who nurture our children during Faith Formation Hour. There are opportunities to teach, support, or float to connect in ways big or small to this ministry of teaching and care.

Our focus this year is on the back-to-basic stories of the Bible in the Old and New Testament. The stories will loosely follow our worship themes through the year.

Come join the fun on Sunday mornings in the B, C, and D Hallways as we tell Bible stories in legos and crafts, share our highs and lows in prayer concerns, and learn about the great big love of God.

We are excited to be in our newly renovated spaces this fall! Watch for a kick-off email with instructions for locations and drop off.

FAITH FORMATION

At Home

Faith Formation at Home (FFAH) is a team that creates and assembles activities that allow for families of all ages to grow in their faith together. We work with the church as a team to create a fun, seasonal take-home packet that helps sermons become kid-friendly, and/or add a faith-based element to upcoming holidays.

From providing glow sticks at Halloween that illuminate a pumpkin, reminding us that God's love will light the way, to packaging supplies to bake Resurrection Rolls as a family on Easter morning, the FFAH committee brainstorms and brings these ideas to life for our church family!

We love seeing our children engage in ongoing learning and faith development in their households. We believe this strengthens the ties of faith across all areas of a child's life.

BABY MINISTRY

The Children & Family Ministry team finds great joy in collaborating with you as your child grows in body, mind, and spirit.

Our Baby Ministry team, alongside the baptism of your child, is the first point of connection. Members of the team reach out to parents after the arrival of a child to deliver a few symbols of embrace from the church.

Members of our mental health team are also beginning to make phone calls of outreach and care to new moms encouraging them during this time of shifting hormones and great transition.

Baptisms

One of the first and most wonderful questions we are asked is how to sign up for your child's baptism. Each family will take a baptism class prior to your child's baptismal date to discuss both the theology of baptism as well as the practical elements of the event. For more information about how to sign up and what to expect, please visit myersparkpres.org/baptisms.

YOUNG FAMILIES MINISTRY

Our Young Families Ministry is designed to welcome and support new members and those in the season of becoming new parents to the fellowship of the church.

We offer once a month playgroups, Mom's and Dad's Nights Out, meet and greet events on the playground for families, and other events. Seasonal events include a Halloween costume party and storytime during Advent Lights.

These events are low-key and usually involve playground time and a popsicle. Parents appreciate these moments to get to know other young families in the life of the church.

Splash and Play is a summer program where we connect with our children in the great outdoors! We read themed stories, learn about healthy habits, and fellowship together. We meet one morning a month on the church playground.

First Year Ministry

Knowing that the first year of your child's life is a joyful time, but also can be a time of great change, we are adding a "First Year Ministry" of moms who will reach out with care and connection during this season of life.

SPROUTS

4 Years - 2nd Grade

Sprout Outreach connects children (4 years through 2nd Grade) and their families to local Charlotte neighbors and mission partners. Sprout Outreach is designed to be a first experience in serving God and neighbor in the Charlotte community and beyond.

Our Partners

Sprouts and Mission Kids are proud to partner with many of our Outreach Partners, including:

- Beds for Kids
- Billingsville Cotswold Elementary
- Crisis Assistance Ministry
- CrossRoads
- Furnish for Good
- Hope Haven
- I Am 24/7
- Nourish Up
- Room in the Inn (RITI)
- Roof Above
- The Learning Collaborative
- The Welcome Ministry

MISSION KIDS

3rd - 5th Grade

Mission Kids is a great opportunity for our older elementary school kids to make strides in leadership and service. Our hope is they will:

- Expand their sense of **community** beyond their church, home, and school;
- Kindle their **curiosity** about societal issues and injustices;
- Encourage meaningful **connections** as they step out in faith to serve God and neighbor;
- **Cultivate cheerful hearts** for service.

We are grateful for a great team of parents who support and guide our older elementary school kids as they learn what it means to serve Christ in our community. This group lays the foundation for Middle School and High School mission and outreach opportunities.

MILESTONES

At MPPC, we believe it is important to mark significant moments in our spiritual growth and development. Those moments matter in our life together as we share foundational aspects of our faith and faith practices with our children.

In a world that hungers for meaning and deeper connection, marking a milestone is an opportunity to signify a particular point in time in recognition of an important transition or life event. Learning about the elements of our faith, worship, and connection to God is certainly worth marking and celebrating!

Our Milestones are:

- **Kindergarten:** Worship
- **1st Grade:** Sacraments
- **2nd Grade:** Prayer
- **3rd Grade:** Bible
- **4th Grade:** Stewardship
- **5th Grade:** Faith and Sexuality

WORSHIP

Kindergarten Milestone

September 27, 2026 | 9 a.m. | Providence Hall

The Kindergarten Worship milestone is intended to equip our 5 year-olds a step beyond their worship bags to have their eyes and hearts open to worship.

We learn about the big movements of worship: we gather as a church family, we hear God's words in scripture and song, we share prayers and communion and our offerings, and we are sent into the world to love God's people.

In this milestone, children receive an art bag with the hope they can draw, write, color, doodle on worship bulletins provided in the worship bags to take note of worship each day.

A few weeks prior to this milestone, parents of kindergartners will receive an email with more information. If you haven't heard from us, please reach out!

SACRAMENTS

1st Grade Milestone

Baptism: April 18, 2027 | 9 a.m. | Providence Hall
Communion: April 25, 2027 | 9 a.m. | Providence Hall

The 1st Grade Milestone is centered on the Sacraments of Baptism and Communion. In this two-session workshop, our children are reminded that sacraments are visible signs of an invisible God. In the water of Baptism, in the bread and juice of Communion, we remember God's love for us as individuals and as a community.

Children at this age are eager to engage in purposeful and meaningful actions in the faith community. We love their eyes wide open to learning more about these beautiful acts of worship and how we can remember the love of Jesus in all of them.

Our 1st graders are invited to carry in the communion bread to the table in the Sanctuary or Oxford Hall as an act of worship. Pastors meet the child at the table, and they say together "This is the bread of life! Thanks be to God!"

A few weeks prior to this milestone, parents of 1st graders will receive an email with more information. If you haven't heard from us, please reach out!

PRAYER

2nd Grade Milestone

May 2, 2027 | 9 a.m. | Providence Hall

The 2nd Grade Milestone is focused on prayer. We love hosting a prayer workshop for this session where children and their parents can experience different types of prayers.

You are invited to come learn about prayer labyrinths, pray for forgiveness, pray for our neighbors around the world, pray in color, explore the Lord's Prayer, and take home ideas for praying as a family.

Our leadership in worship for 2nd graders is to serve as greeters. This helps us remember everyone who comes to worship comes with a prayer on their heart and mind and so we greet them with love, respect, and welcome.

A few weeks prior to this milestone, parents of 2nd graders will receive an email with more information. If you haven't heard from us, please reach out!

BIBLE

3rd Grade Milestone

Classes Listed Below

The 3rd Grade Milestone is a six-week course concluding with a Bible presentation. Together, we learn the books of the Bible, the large sections and themes of the Bible, and how to find a Bible verse. We learn about how Bibles came to be made and how they developed through the years. We learn about different translations of the Bible. And we learn different ways to explore, read, and engage scripture through journaling, note-taking, and reading. A favorite of the class is learning the Books of the Bible song and soon you will find yourself singing this song in your sleep!

For worship, 3rd graders are invited to be Bible carriers in the Sanctuary joining the choir procession to bring the Bible into worship each Sunday.

Classes: Sundays, January 24, 31, February 7, (*No class on February 14*), 21, 28, 2027 | 9 a.m. | Providence Hall

Parent Classes: Sundays, February 21 & 28, 2027 | 9 a.m. | B205

Presentation: Sunday, March 7, 2027 | 9 a.m. | Providence Hall

A few weeks prior to this milestone, parents of 3rd graders will receive an email with more information. If you haven't heard from us, please reach out!

STEWARDSHIP

4th Grade Milestone

November 15, 2026 | 9 a.m. | Providence Hall

The 4th Grade focus is Stewardship. It is important for children to recognize that we are richly blessed with time, talents, and treasure. In turn, we can share our blessings with others as acts of good stewardship. This is one of our favorite milestones!

4th graders and their parents are also encouraged to sign up to serve as ushers as an act of worship. An important thing to remember in this act of service for the church is the importance of this action. Collecting resources to share provides great blessings to the church and to our neighbors where we serve God together.

4th graders take seriously their commitment to stewardship when they take a first look at pledge cards. Sometimes their response to that invitation challenges our own!

A few weeks prior to this milestone, parents of 4th graders will receive an email with more information. If you haven't heard from us, please reach out!

FAITH & SEXUALITY

5th Grade Milestone

January 24, 2027 | 1-5 p.m. | Oxford Hall

Our 5th Grade Milestone focuses on faith and sexuality. 5th graders are learning about human sexuality both from their peers and from various classes in school. It is important that discussion of this subject also take place in the church.

Our hope for this Milestone is threefold. First, to open up lines of communication so you, as parents, will have a greater opportunity to talk about this subject with your child as needed. Second, to equip our young people with a framework for sexuality within God's creation and hope for human beings. And third, to encourage our young people to support each other through the ups and downs of puberty.

This Milestone event is an opportunity to help open up communication around important topics as your child looks towards Middle School and all the changes that are coming. Our goal is to help you set these and future conversations around puberty, adolescence, and sexuality within the context of faith, and learn to share your values as you talk about these topics with your child.

A few weeks prior to this milestone, parents of 5th graders will receive an email with more information. If you haven't heard from us, please reach out!

MIDDLE SCHOOL TRANSITION

5th Grade

March TK, 2027 | 11:15 a.m. | Cornerstone House

As our 5th graders approach Middle School, we are grateful for the ministry of Allison Fox and Michelle Thomas-Bush who aid in that transition.

Beginning with the Faith and Sexuality Milestone, and continuing that Spring with opportunities to connect, the Middle School Ministry team is intentional about building bridges from Children and Family Ministries into the Youth Group programs at Myers Park Presbyterian.

Starting May 1, 5th graders are considered part of Youth Ministry. They're invited to all Youth summer activities and can participate in things like CROSS and Quest for the Best.

A few weeks prior to this milestone, parents of 5th graders will receive an email with more information. If you haven't heard from us, please reach out!

CHILDREN'S WORSHIP ARTS

WAMP

Wednesdays | 5-6 p.m. | 6 years - 5th Graders

Worship Arts at Myers Park (WAMP) explores all the ways we can worship through singing, percussion, art, and drama while preparing to lead in worship throughout the year. Class will be followed by an optional family dinner at 6 p.m. in Oxford Hall.

WAMP, Jr.

Wednesdays | 4:15-4:45 p.m. | 3-5 years

Experience music, rhythm, and art in a group setting and with singing, movement activities, music based games, and rhythm instruments. Class will be followed by an optional family dinner at 6 p.m. in Oxford Hall.

WAMP Camp

August 2026 | 6 years to Rising 1st-6th Graders

A week of singing, dancing, crafts, and worship ending with a performance. This camp experience will start kids off on a creative journey in music and art that will last a lifetime.

For more information about any of the above, visit myersparkpres.org/music.

TAPESTRY

Tapestry serves tweens, teens, and young adults with special needs. We aim to gather monthly throughout the school year, either at the church or out in the community. Movies, bowling, swimming, dining at restaurants together, or celebrating special holidays with parties and dancing are a few of our favorite things!

Each August, we hold Tapestry Camp, where we focus on service projects, seasonal crafts, music, outings around town, and much more. Our time together always fuels our friendships and fellowship! Connecting regularly keeps these special relationships strong and social lives meaningful.

Adelaide Spizer, a church member with a heart for special education, has long nurtured and supported this group. We are incredibly grateful for her leadership. Many other volunteers join in to love and have fun with this community of Christ!

VACATION BIBLE SCHOOL

June 14-17, 2027 | 3 years - Rising 5th Graders

Our theme for 2026 will be "On the Boardwalk: Where Friendship Starts with Jesus!"

Our younger campers learn stories from the Bible through music, recreation, story-telling, and service projects. Mission Kids, our 4th and 5th graders, serve the community through various outreach projects. Mission Kids will travel off-campus.

An incredible team of volunteers including moms, dads, grandparents, church friends, and High School Youth offer leadership. An important part of the culture for Vacation Bible School is to create meaningful community and engagement for the adults as well.

Registration will open in February 2027 and VBS will take place June 14-17.

For more information, visit [**myersparkpres.org/events**](https://myersparkpres.org/events).

ALL-CHURCH RETREAT

At Montreat

October 2027 | Montreat, NC

Because of the Centennial, we will look forward next year to the all church family retreat in Montreat. Watch later this fall for the date to mark your calendar for in 2027.

Together, we enjoy all that fall offers with mountain hikes, paddle boats on Lake Susan, kickball games, scavenger hikes, outdoor crafts, and bonfires. We may even have a few surprises!

Our faith is formed during a two-hour program on Saturday morning and worship service on Sunday morning with communion.

There are age appropriate activities during the two hours of structured programming for children who attend, and complimentary childcare for children preschool and under during that time.

Free time in the afternoon allows restorative rhythms of rock-hopping, exploring, napping, and, yes, watching football.

For more information and to register, check out [**myersparkpres.org/events**](https://myersparkpres.org/events).

ALL-CHURCH DAY RETREAT

At Anne Springs Close

October, 18 2026 | Anne Close Springs Greenway, SC

This fall we will host an afternoon mini-retreat at Anne Springs Close Greenway.

For those who have tough sport schedules, demanding calendars, or children too small to travel easily for a weekend, this afternoon is a wonderful way to connect and unwind.

We share in a fun-filled day of outdoor activities for all! Beginning with a service of worship, we then spend as much time as possible out in God's creation: picnicking, hiking, playing, biking, and participating in activities on the waterfront. Throughout the afternoon, there are opportunities for a fall hayride through the greenway.

Our families have discovered this to be a meaningful time to breathe deep, refresh, and be in the presence of God.

For more information and to register, check out [**myersparkpres.org/events**](https://myersparkpres.org/events).

THE WEEKDAY SCHOOL

The Weekday School nurtures children as they begin lives of worship, learning, compassion, and service supported, protected, and equipped by the Love of God and through the Ministry of Myers Park Presbyterian Church.

Our Weekday School community offers love, support, and friendship, assisting families in building a foundation of faith and knowledge in their children.

Our teachers, administrators, and clergy nurture our children to develop the skills, confidence, and love of learning to be successful in their future education. The Weekday School Board offers guidance for this educational endeavor.

Our Core Values:

- Building a strong faith foundation
- Practicing kindness and compassion
- Fostering a love of learning
- Providing a safe and warm environment
- Offering exemplary teaching through a developmentally appropriate play-based curriculum

For more information about the Weekday School, visit myersparkpres.org/wds.

Chapel and Godly Play

Every Wednesday, all 3s, 4s, and TK classes at the Weekday School participate in **Chapel** - a truly glorious 30 minutes of worship! After a welcoming song, children listen to a Bible story (acted out by a team of all-star parents). We then pray together and worship with singing and dancing. We close with a blessing. This simple liturgy is a special time of worship where each child has the opportunity to participate in a meaningful way.

All Weekday School children participate in **Godly Play** class where they hear stories about God's love and faithfulness. Children listen to stories from the Old and New Testament and wonder and talk together about God's "great big love." They then have time to play with the stories in meaningful and hands-on ways. We pray that during Godly Play, children begin to build a foundation of faith and a deep knowledge that they are loved by Jesus.

One of the beloved moments in Chapel is an opportunity to wear the blue and white striped, with red trim, "Jesus robe." For a moment adult leaders get to show up with the heart of Jesus in the Bible stories.
